

OUR STRATEGIC OBJECTIVES

2023–24

STRATEGIC OBJECTIVES 2023/24

- 1** Raise the quality of education across the Group, focusing on our weakest provision for rapid and sustained improvement and enhancing our best provision, all to the same excellent standard
- 2** Further strengthen student engagement and attainment, raising attendance rates, developing learning and our pastoral practice with a new set of strategies and resources across the Group
- 3** Grow our provision, recruiting more students and developing new responsive programmes with employers
- 4** Lead a successful response to the Local Skills Improvement Plan, co-ordinating efforts across South London and improving access to employment for disadvantaged groups
- 5** Drive forward our priorities for equality and diversity, aiming to improve our gender pay gap and staff ethnicity profile in particular
- 6** Implement a new growth-focused approach to curriculum and estates planning based on local skills needs, student enrolment patterns and emerging sectors
- 7** Make progress on our developmental priorities, strengthening partnerships, making our Colleges more sustainable and implementing new digital solutions
